If you are enrolled in our Program and your Website promotes coupon codes, you must adhere to our Coupon Guidelines as follows:

- You may ONLY advertise coupon codes that are provided to you through the affiliate program or network or that are displayed on our website(s).
- Posting any information about how to work around the requirements of a coupon/promotion (i.e. first time customers) will result in removal from the program.
- Coupons must be displayed in their entirety with the full offer, valid expiration date and code.
- You may NOT use any technology that covers up the coupon code and generates the affiliate click by revealing the code(s).
- You may NOT advertise coupon codes obtained from our non-affiliate advertising, customer e-mails, paid search, or any other campaign.
- You may NOT give the appearance that any ongoing offer requires clicking from your website in order to redeem.
- On click through, you must link directly to our website. Framing of our website is strictly prohibited.

## Marketing Guidelines (continued)
